STRESS MUSIC AT MOTHERS' COUNCIL

Place and Need of Music Discussed by Song-Book Editor at Meeting.

HEAR GIRLS' GLEE CLUB

The subject of the regular monthly meeting of the Mothers' Council on Monday evening was "The Place and Need of Music in Our Lives." Mr. Osbourne McConathy, assistant editor of Progressive Music Series used in the Narberth schools, was the principal speaker of the evening.

He spoke of the changed conditions under which our children are living. "And, since," the speaker pointed out, "there is not the great amount of manual labor in the homes that there used to be, our children have more leisure than we, as children, had. This leisure time should be properly filled and one of the most beautiful ways of filling it is by the hearing of good music."

The singing of the Girls' Glee Club was a very delightful part of the program. Miss Fricke, the musical director, led them in her usual charming and purposeful manner. Some of the songs were original, some composed by the class as a whole, others done by individuals. It was a splendid exposition of the type of work that can be done under the proper kind of guidance.

The following is the musical program:

"The Girls' Glee Club sang: 'Tinkle-oo,' by Mrs. R. R. Forman; 'In a Canoe,' by Marshall Bartholomew; 'Pretty Geisha Girl,' F. F. Harker.

Original Songs: "The Drummer Boys," 6B Class; "The Parade," 7A Class; "The World," 7B Class; "A Wise Man," 8A Class; "Humpty Dumpty," Muriel White; "The Stars," John McIntyre; "Prairie Flower," Arthur Wright.

The Montgomery county convention of parents and teachers will meet in Abington, Pa., on Saturday, February 2. It is to be a one-day session. Those who are willing to furnish cars for transportation, also those members who wish to attend will please call Mrs. Burgeron, Narberth 2720 W.

The next one of Prof. James S. Heberling's talks will be on Monday evening, February 4, at 8 o'clock at the Narberth school. His subject will be "Through the Adolescent Years."

"Pending Legislation"

An open meeting on Child Labor and "Pending Legislation" sponsored by the legislative committee of the Women's Community Club will be held at Elm Hall on Tuesday, January 29. Speakers will include Mrs. H. O. Peebles, of Cynwyd, and Mrs. Wilson Moorhouse, of Ardmore, a Lower Merion School director. Mrs. R. G. Aungst will preside. All women are invited to this meeting, which should prove to be of widespread interest.

To Hold Card Benefit

A card party for the benefit of the Welfare Department of the Woman's Club of Narberth will be held at the home of the chairman, Mrs. G. N. Gill, 216 Dudley avenue, on Monday. The party will start at 2 o'clock sharp. Prizes will be awarded to the winners.

Margaret Harvey's Panorama of Main Line During Early 90's Promised to Readers

Are you acquainted with Libertyville, Athensville, Merionville, Humphreysville? Possibly your answer would be qualified if you realized that these are merely the old names for Wynnewood, Ardmore, Cynwyd and Bryn Mawr. The Main Line abounds in historical associations, many of which are unfamiliar to present dwellers.

Beginning in next week's issue this paper will begin the serial publication of a historical sketch of Lower Merion written by Miss Margaret B. Harvey and originally published as part of a book issued by the Montgomery County Historical Association. The essay is entitled "Something

ROTARIANS LEARN OF HEALTH WORK

School Nurse Describes the Method of Discovering Child Defects.

MANY CASES HANDLED

An outline of the work of the school nurse featured the weekly meeting of the Bala-Cynwyd-Narberth Rotary Club Tuesday. Miss Elizabeth Henne, nurse in the school of eastern Lower Merion, was the speaker.

Examinations of each pupil, with actual treatment in each case, are provided by the school authorities. Defects, when noted, are specified on a card sent the parents, and if correction does not follow, this is frequently done by the schools.

Home visits are also provided for, and the school nurse has made 113 such visits since the first of the year.

The school nurse also gives personal supervision to tonsil and adenoid operations performed by arrangement with the schools. Eye defects and heart conditions are also given careful attention, with correction provided in the case of poorer families.

In many cases, Miss Henne said, the report from the school doctor is the first information a family has of some serious defect in the child. Permanent injury or disability is thus prevented by early action.

Educational work in proper feeding, cleanliness, posture, etc., is carried on. At the Ashland Heights School showers are provided for the boys, teaching regular bathing habits made almost impossible by conditions at home.

In addition to the examinations and health work, actual charity work is often involved. Glasses are furnished needy children, and proper shoes furnished to correct foot defects.

The Rotary Club, following the talk, made provisions to aid in the work by supplying part of these materials to the poorer cases. Dr. William L. Martin was chairman of the meeting and will supervise this work.

Planning Dance

Final arrangements for the annual dance of the Sub-Junior Community Club were made last Monday evening at the regular meeting in the club room at Elm Hall. The dance is to be held Saturday, February 2, from 9 to 12 o'clock in the Women's Community Club room at Elm Hall. Clear's "Troubadours" will supply the music. The committee is planning several novelty dances with prizes for each, and promises a good time to all. Tickets may be secured from any member of the club.

The club is continuing with its Braille work for the blind, which it finds most interesting. At the close of the meeting delicious refreshments were served by the hostesses, the Misses Madeleine Baughman and Blanche Lodge.

Board Meets the 4th

The Recreation Board will hold an open meeting in the Council Chamber, Elm Hall, on Monday, February 4, at 8 P. M. Organizations interested in the use of the Community Building and the playground are requested to have a representative present at this meeting.

LOWER MERION FIVE BEATS TWO RIVALS

Maroon Defeats Upper Darby, 32-21; Haverford High Loses, 36-13.

SEGAL HIGH SCORER

Coach Bill Anderson's dribblers from Lower Merion High School added two victories to their record over suburban foes during the past week. Against Upper Darby High School last Friday afternoon, Captain Kohlhas and his teammates won a league game, 32 to 21. Warren Lockwood accounted for 14 of his team's points and Segal, playing a whale of a game at center, made eight points from the field.

Al d'Amora, stalwart guard, and Al Thomas, sub for Kohlhas at forward, dropped in two each from scrimmage.

Lower Merion outscored Upper Darby from the field 15 goals to 7.

Albert Mandes was back in the lineup for the first time since the Christmas holidays when he was ill with the gripe. Al played a good guarding game, but did not mix in the offensive as much as usual.

Tuesday afternoon on the South Ardmore School's gymnasium, Lower Merion won another decisive victory, this time over Haverford High School, a Class B rival, 36-13. Bob Segal, the husky center for Lower Merion, scored eight field goals and two fouls to account for 18 points for his team, five more than the entire Haverford squad could run up. Lockwood's seven points and Thomas' five helped in the grand total. Haverford scored only three field goals.

BOYS' WEEK DATES FIXED BY COUNCIL

April 27 to May 4 Selected; Oratorical and Mummery Ideas Suggested.

MEET AGAIN FEB. 5TH

Boys' Week will be from April 27 to May 4, it was decided Tuesday night by the Main Line Boy Council, at the Y. M. C. A., Ardmore. Because conflicting meetings in Haverford, Bala-Cynwyd and Philadelphia prevented all parts of this section from being represented, it was decided to postpone adoption of a definite program until the next meeting, February 5, at 8 P. M., in the Y. M. C. A.

A suggestion was made by S. E. Downs, superintendent of Lower Merion schools, that a public-speaking contest be included, with the winners to address the Sunday meetings of Boys' Week. This idea, together with a suggestion from Henry L. Reinhold that a boys' mummery parade be held, were favorably received. Co-operation of the police in arranging the route, in case the parade is incorporated in the program, will be sought. It was thought advisable by members present to limit the athletic contests to boys of seventh-grade age and younger.

E. A. Carlson, who presided, and others, urged an immediate start by boys on exhibits for the Hobby Fair and Poster Contest. Prizes amounting to \$50 in value will be given for the fair exhibits. A first prize of \$10 and a second award of \$5 will be presented for the best posters, one of which will be reproduced to advertise the "week," with the others to be placed on exhibition in a prominent place.

With a few improvements and additions, the program probably will follow the same general lines as that of last year. Officers and members attending the conference Tuesday were E. A. Carlson, Harry C. Bare, Henry L. Reinhold, S. E. Downs, Fred Patten and H. J. Mosteller.

His Singers Praised

The Mendelssohn Club, conducted by Bruce A. Carey, of Cleveland avenue, received warm commendation for its work in a joint concert with the Philadelphia Orchestra on Monday night at the Academy of Music. Singing both accompanied by the orchestra and alone the club exhibited the admirable training it had received at the hands of its leader, Mr. Carey.

BUS SERVICE NOT AFFECTED BY DEAL

Railroad Plans No Immediate Changes in Operation of Lines.

EXCURSIONS PLANNED

The Pennsylvania Railroad, which has acquired "substantial interests" in the Montgomery Bus Company and the Philadelphia Suburban Transit Company, both operating between Philadelphia and Main Line towns, plans no immediate changes in schedules or service, it was stated by Pennsylvania officials.

Consummation of the transaction was announced Tuesday, but it was learned that the two companies, and another involved, actually had been taken over by the railroad company some time ago. The bus companies, subsidiaries of the Philadelphia Rapid Transit Company, will continue under Mitten Management for the time being, it was announced.

The Montgomery Company operates 17 buses between Sixty-third street and Lancaster avenue, Philadelphia, and Rosemont and Garrett Hill, via Lancaster pike; Ardmore and Gladwyne; Rosemont, Wayne and Strafford, while the Suburban Transit operates 13 buses between the same city terminal, Ardmore and Bryn Mawr, via Montgomery pike.

Both companies will retain their corporate identities under the change of stock and will continue to exercise their franchise, it was said.

ACADEMY TO BUILD NEAR SITE OF FIRE

Major Baker Denies Reports Military School Will Leave Devon.

BLAZE LOSS \$500,000

Valley Forge Military Academy will erect a modern building at or near the site of its former headquarters, the old Devon Park Hotel, at Devon, which was destroyed by fire early January 18, it was announced by Major Milton C. Baker, superintendent.

Definite plans for the re-building program have not been completed, Major Baker stated, at the same time emphatically denying reports that the academy was considering going to a new location. The school will not be removed to West Chester, where a new home has been offered, he added.

Temporary headquarters, which will serve until the new building has been completed, have been established in St. Davids Golf Club house. Cots, blankets and other equipment obtained from the United States Marine Corps in Philadelphia through Colonel Cyrus S. Radford, of Haverford, were installed in the temporary school after the \$500,000 fire, which destroyed virtually all the property of the academy and of the students.

Capital Is \$750,000.00

A typographical error in the capital of the statement of The Merion Title & Trust Company as of December 31, 1928, was made last week. This error occurred in the preparation of the advertisement and was not made by the bank or by "Our Town."

We call attention to the correct capital of The Merion Title & Trust Company, which is \$750,000.00. The complete and efficient service which this company has extended for many years has resulted in total resources of over \$12,000,000.00.

Next Concert February 13

The Main Line Orchestra, Adolph Vogel, conductor, will give the second concert of the season on Wednesday evening, February 13, in the Junior High School Auditorium, Ardmore. Tillie Barmach, soprano, will be the soloist.

Library Announces New Hours and Appointment of Trained Librarian

Gain Workers for Better Homes Week

Preparations continue apace for Narberth's participation in the "Better Homes Week" which will be celebrated the week of April 21. Mrs. Eberhardt Mueller, local chairman, will be assisted by the following: Mrs. R. G. Aungst, vice chairman; Mrs. E. C. Griswold, secretary; J. Bertram Nesper, assistant secretary. The following have also consented to act as chairmen of the various activities: Finance, Daniel Leitch, Clarence Kaerber; programs, K. L. M. Pray; exhibitions, Lloyd B. Edgerton; Publicity, Ralph S. Dunne; buildings, Frank Stiefel; reception, John B. Wine.

An important meeting will be held on January 31 at the community building to which all organizations are invited to send a representative.

No funds will be solicited for the week. It is expected that all needed revenue will be produced by a cake sale and a card party. The cake sale will be held at Cotter's store this Saturday morning at 10 A. M. The card party will be held at Elm Hall on February 28.

The movement which is non-commercial, nonpolitical and non-sectarian has as its aim the development of wholesome home life in the community and the bringing to home-makers' attention all that modern science and invention can do to lighten labor and make for increased health and happiness. All phases of the home will be touched upon, decorating, gardening, books and music in the home, etc.

During the week, every afternoon and evening, there will be some exhibit, lecture, demonstration, etc., at a specific place, all free of charge. There will be a "Better Babies" contest at which any child of the borough can be entered. A nurse will be in charge and a prize for the most perfect baby will be awarded. There will also be prizes for the best home article made by a boy or girl of 16 or under. There will be a prize for the best plan of garden or landscape decoration which will be open to any entrant regardless of age. There will be other prizes, we hope, for instance, the best essay on home reading and for the best plan for a kitchen.

American Legion to Hold Big Meeting

Legionnaires of the Harold D. Speakman Post, No. 356, are looking forward with great interest to the meeting next Monday night, January 28, at 8 P. M. It is hoped to make this meeting one of the biggest ever held with a large attendance from both the old members and those who are eligible for membership.

Important matters will come up for discussion, including the formation of a bugle and drum corps. The entertainment end is being cared for by George Markle and Perry Redifer, who have promised to have some good talent on hand. Plenty of good eats are also scheduled for the evening.

The commander, W. Russell Green wishes each person in Narberth and vicinity who is eligible for membership to consider this a personal invitation to attend this meeting.

Miss Mary B. Church, New Librarian, Is Graduate of Temple Library School.

WILL BE OPEN 2 TO 9

The trustees of the Community Library decided at a special meeting last Monday evening that, beginning February 1, the library will be open to the public every week day from 2 o'clock in the afternoon until 9 o'clock in the evening. This means that the library will be open continuously throughout that period of seven hours, without being closed for meal-time. At the same meeting the trustees appointed Miss Mary B. Church, professionally trained in library work, and holder of a certificate from the State Library, to the position of librarian, succeeding Mrs. Elizabeth K. Wood. Miss Church will begin her work here on Friday, February 1. This extension of library service to the community grows out of the appropriation recently provided for that purpose by the Borough Council.

At the same meeting, Councilman John R. Hall, of Sabine avenue, was elected a member of the Board of Trustees. He with Councilman Kaerber, who has been a member for some time, will be the two councilmanic members on the board as required by the State Statutes. This very important meeting was presided over by Robert E. Keighton, who on the resignation of Miss Anna MacKeag, automatically, by virtue of his previous office, and with the unanimous approval of the Board of Trustees, became its president.

Miss Church, who is former resident of Narberth, is a graduate of West Chester Normal School, of Temple University Library School, and of the Institute of Library Science at the William Penn High School, in Philadelphia. She was for three years children's librarian at the Apprentices' Library in Philadelphia, and was also head librarian of the Friends' Library in Philadelphia. Recently she has been substituting for the librarian of the Philadelphia Normal School and the Sulzberger School. Miss Church was first recommended to the attention of the Narberth Trustees by Miss Bessie Graham, principal of the Temple University Library School, and of the Institute of Library Science. Several candidates for the position were considered by the trustees before Miss Church was unanimously chosen. Miss Church will make her home in Narberth and devote all of her time to the work of the local library.

Before any librarian had been selected, it was the desire of the trustees to determine a schedule of opening hours which would give the public the greatest possible use of the library without working a hardship upon any paid librarian. In order to obtain impartial and authoritative advice on that subject this problem was submitted to the American Library Association, by whom the opening hours which have been adopted were recommended. The problem of assistance and of relief during the dinner hour will be determined in consultation with Miss Church later. Members of

Good Government Comes from Within Party, Republican Women's Council Hears

Its first public meeting was held by the Lower Merion-Narberth Chapter of the Pennsylvania Council of Republican Women Tuesday night in the Ardmore Women's Club. Nearly 300 women and a few men attended, representing all parts of the township and borough.

They were urged by several prominent speakers to interest themselves in all-year-round activities of the Republican party of the State, county, township and borough, rather than participate in politics only in times of Presidential elections and unusual local crises.

Nonpartisanship in politics was condemned on the ground that it

is ineffective here, and in its stead, the accomplishment of reforms by working within the party ranks was advocated.

Mrs. Henry Tatnall Brown, daughter of Governor Fisher, presided. Speakers included Mrs. J. Willis Martin, a director of the State Council; Auditor General Edward Martin, and Walter King Sharpe, president of the State Council, who gave the audience an unexpected treat by attending in place of Vice President Mrs. Hanah M. Durham, a scheduled speaker, who was ill.

Plans for further activities of the council will be formulated at a meeting of the executive board

Rev. Milton McLinn

The funeral service for Dr. M. E. McLinn was held on Friday at 2:30 at Holy Trinity Lutheran Church. He lay in state in a bank of flowers from 1 to 2:30 while his many friends paid their parting tribute to his memory. A fitting sermon was preached by his close friend, Dr. S. D. Dougherty, secretary of the Board of Home Missions of the East Pennsylvania Synod. Dr. C. P. Swank, president of the synod, bore testimony to the esteem with which he was held by his co-laborers in the synod. Interment was in Westminster Cemetery.

Rev. Milton McLinn, D. D., was born in Thompsonstown, Pa., September 20, 1847. After ordination in 1886 he served as pastor at Union Bridge, Md.; Lovetville, Va.; Bloomsburg, Pa.; Apollo, Pa.; Crafton, Pa.; Woodbine, Md., and last of all he became pastor of Holy Trinity, Narberth, in December, 1922, which congregation he served faithfully until ill health in January, 1927, compelled him to lay down his much beloved work.

Among the Business-men

The following column, which appears at no set times, but whenever circumstances seem propitious and its author feels so inspired, has for its object the setting forth of commercial items which have a news value. The dividing line between news and advertising in many cases is a fine one; items in this column, it is hoped, will be on the side of news.

It is expected that work will start soon on the alterations to be made to Cotter's Market and W. T. McIntyre's store. The two stores will be increased to about twice their present depth, and modernized throughout. The exterior of the building which once housed the Y. M. C. A. will also be altered. A doorway and hallway between the two stores will lead to the second floor which will be outfitted as modern offices. Both stores will have one door only in the center of the store instead of two as at present. The step is one which will add attractiveness to Narberth's business section as well as increased utility and resources to the two stores.

A unique display of the different sizes of coal is on exhibit in the window of the Narberth Coal Company. If it were only coal in the window, one's attention would not be captured for long. The mode of display is the important thing. The instrument is a sort of inverted pyramid on an oblong base, with stepped levels across the top. On these rest cubes containing the coal samples. The body is finished in black with the base and cubes in orange.

The Lang Delicatessen, long situated on North Narberth avenue near the bridge, moved this week to a new location, 205 Haverford avenue. This site was formerly used as the real estate office of John A. Caldwell until its removal upstairs at the same address recently.

CHARLES CALLAHAN

Charles Callahan, Jr., of 128 Rockland road, Merion, son of Charles Callahan, of Philadelphia, died on January 17. The funeral was held from the home on Monday with Solemn Requiem Mass celebrated at St. Margaret's Church, at 10 A. M. Monday. Interment was made at Holy Cross Cemetery.

No one should visit the fascinating eastern shore of Maryland without having read "The Entailed Hat; or, Patty Cannon's Times," by George Alfred Townsend. We quote Mr. Townsend: "The story of a large region comprehending three State jurisdictions, and also of that period when modern life arose upon the ruins of old Colonial caste." A limited number of copies on sale at two dollars and fifty cents (\$2.50) at the Narberth Bridge Garage or at the store of Howard E. Davis.

At the regular meeting of the Association, February 7, 1929, nominations for officers and directors to serve for the ensuing year will be made.

Nominations thus made will be voted for at the March meeting.

Rainey Wood Coke

There always has been and is still a mild demand for Coke.

Through several years of handling this product, in addition to coal, we have found that Rainey-Wood Coke gives by far the best satisfaction. It is high in carbon, low in ash and well and uniformly graded into a good size for domestic use.

An innovation in the method of delivering Coke originated with us when we began selling it by the "load"—meaning 1250 lbs.—an amount that just fills the space occupied by a ton of coal—since coke is bulkier. The load price is \$7.00, less 50 cents cash discount.

POSTPONE ITALIAN COURSE IN SCHOOLS

Mr. Downs Finds Not Enough Eligible Students Are Interested.

ATTENDANCE PICKS UP

"Since the first week of school this month the attendance in Lower Merion has improved materially, following an unusually low attendance in December, when a number of the children and a few teachers were compelled to be absent because of influenza or severe colds." The statement was made by Superintendent S. Edgar Downs to the Lower Merion Board of Education at its January meeting, held last Wednesday night in the Senior High School.

"We hope the attendance will soon be normal," he said.

Lasting only an hour, until 8.30 P. M., the meeting was devoted to consideration of Superintendent Downs' monthly report, portions of which are as follows:

"In addition to a few slight modifications as to credits we desire with the approval of the Board to modify the courses in the two high schools as follows:

"1. Add an elective course in Applied Science for non-college preparatory groups in the ninth year of the Junior High School.

"2. Extend the German so that it will be a four-year course corresponding with that in French, starting the first of the new four-year groups in the ninth year of the Junior High School next fall.

"3. Making optional the election of first-year French or German in the first year of the Senior High School, provided sufficient students apply to justify the establishment of a new class.

"4. Add Astronomy as an elective in the non-college groups for the Senior year of the Senior High School.

"5. The requirement of Zoology in the General Course.

Few Care for Italian.

"A poll taken of the present ninth year pupils indicated that but 10 of the group of approximately 300 desired to elect Italian in the first year of the senior high school. The majority of these were not listed in the college preparatory group, but came from homes of foreign parentage. Among the eighth grade children there was a larger group indicated that they would like to take Italian, but we found upon checking that many of these are not succeeding now in their first year try-out course in Latin, and some are planning to quit at the end of their junior high school course.

"Seventy-eight of the eighth year children indicated a desire to begin German in the ninth year, hence we feel justified in recommending the extension of this language course so that it will be on the same basis relatively with French as it was before the war. We shall keep in touch with desired electives in Italian in the future and shall report to the Board if or when the demand becomes sufficiently great to consider the proposition favorably. I recommend the inclusion of the changes mentioned above in our course of study, as none of these is negative and all will aid the students in choosing the electives best suited to their needs.

"The necessary repairs required of the general heating and ventilating, plumbing and electrical contractors of our senior high school addition, the Ashland addition and the Wynnewood Road School have been listed and separately reported to the architects so that the contractors will be certain to have everything in first-class condition by the close of the second year period required by contract. At Ashland particularly the heating and plumbing contractors have been slow in making required adjustments.

Encourage Orchestras.

"Small orchestras, chiefly violins, have been started in a number of the elementary schools and we hope in the future to develop these more extensively with the purchase of some equipment for each building.

"Our vocational teachers were all permitted to attend the national meeting of vocational departments in the Benjamin Franklin Hotel on December 14 and 15, and each reported a most helpful meeting.

"The William McBride Company, which was awarded the general contract for our Merion School, has failed to do any work on the building or grounds since January 1. Mr. Hart, representing the company reported verbally to me and also to our architect, Mr. White, that his organization had not sufficient financial backing to meet the December bills of subcontractors and to meet the weekly payroll of the day laborers on the job. (According to the terms of our agreement the architect submits vouchers each month only after a certified statement is compiled showing that the subcontractors have been paid in full for the preceding month.) Mr. Hart assured us that the company would voluntarily turn over in writing all of its assets to the bonding company so that it would be free to complete the building. This was not done. Consequently Mr. White served, by registered letter, a notice of default.

"The registered receipt was returned, but nothing has since been heard from this company. The architect accordingly served notice upon the

AWARD 41 BADGES TO 28 BOY SCOUTS

Court of Honor Is Guest of Wynnewood Troop at Meeting.

WYNNEWOOD BOYS LED

Forty-one Merit Badges and one Star rank were awarded 28 Boy Scouts at the January meeting of the Main Line Court of Honor, held on January 11, in the Wynnewood troop's headquarters, All Saints' Church. Only three scouts failed to qualify after making applications for tests. Seven troops were represented in the awards.

Wynnewood led, with 17 boys earning 23 Merit Badges. Cuthbert Spencer received three badges in addition to the rank of Star Scout. Others in acting Scoutmaster Jack Foster's troop who were honored are Frederick Bates, A. B. Canfield, Charles Cliphsham, Asbury Coward, William Dorsey, Paul Nelms, Ruben Nordblom, Thomas and William Payne, Harry Roser, Horace Speer, Henry Wagner, Robert Warner, Proctor and Reeves Wetherill and Nye Spencer.

Other troops and awards included the following:

Merion—William Way.
Bala 1—Stanley Schuler.
Cynwyd 2—Theodore Loder,
Clark Morian, Richard McCurdy

bonding company in accordance with letters which our secretary will submit. He would like to have the approval of the Board on his action to date, if possible, and also the authorization to draw the vouchers following completed work to the Independence Indemnity Company instead of McBride and Company with the specified reservation that the Board assumes no additional obligations nor yet frees the bonding company from any of the requirements of contract by penal and surety bonds."

and Embury Rucker. William K. Holman, St. Davids, who was elected chairman of the Honor Court in December, presided. He was assisted by Charles B. Cliphsham, Narberth; F. C. Barton, Bala, and Walter Faries, Bala. Plans are being made by Main Line scouts to hold a Camp Delmont rally some time in the near future. Camp Director Ernest Schulz will show moving pictures of Delmont and of scout activities, and there will be an entertainment.

7.45 P. M.—Evening worship. Sermon, "The Soul's Alternative."
Wednesday, January 30:
8 P. M.—Prayer service. The third service in which the Sermon on the Mount is supplying us with texts for inspiration.

As a result of the ballot for the best sermons preached during 1928 the following sermons were chosen by the church and congregation: "Wanted—Bifocals," "Standeth God Within the Shadows," "The Price of a Soul" (repeated last year also), "The Message of the Cross" (printed in Our Town) and "The End of the Road." (This last choice, being a Palm Sunday sermon, will be preached on that day this year. In its place a sermon that was sixth in the voting will be offered: viz., "The Cup That Jesus Drank.")
Next Sunday the sermons will be "The Cup That Jesus Drank" and "The Price of a Soul."

Holy Trinity Lutheran Church.
Rev. Cletus A. Scuf, Pastor.
Sunday, January 27:

7.45 P. M.—Evening worship. Sermon theme: "To Whom Shall We Go?"

Next Wednesday evening—prayer meeting. Subject: "With Christ in Prayer."

Next Thursday is the annual congregational dinner. The purpose is good fellowship—a chance to get better acquainted and to talk over the work of the church. The principal after-dinner speaker will be Dr. H. W. Bieber, pastor of the Cynwyd Presbyterian Church. It is hoped that every member of the entire congregation will be able to attend.

Next Friday evening—Session meeting.

On Sunday, February 3, the Christian Endeavor Societies will have charge of the evening service in celebration of the anniversary of the founding of the organization. For that occasion the young people are planning a pageant entitled "My Quest."

farm produce was transported from Lower Merion farms to Philadelphia by means of two-wheeled carts.

The author, Miss Margaret B. Harvey, was a direct descendant of the old Welsh families that came to this country in 1682 when the ship Lyon landed at Pencoyd two months before William Penn's arrival.

Her ancestral home, of which you will hear more anon, was a handsome colonial stone house on Old Lancaster road about a quarter of a mile above City line. It was built in 1700 and torn down near the end of the last century.

Miss Harvey, one of a family of 11 brothers and sisters, was educated at the Girls' Normal School and the Women's Medical College, Philadelphia, and also at the University of California. She received an A. M. from Dickinson College.

She was a person of diversified interests and talents, being a botanist of note and somewhat of a linguist, speaking five languages fluently. Her chief interest was, perhaps, in historical matters, particularly those of the surrounding countryside. This led to her connections in the Daughters of the American Revolution, in which organization she was most active.

Miss Harvey was a member of the Historical Society of Montgomery County, of the Pennsylvania Historical Society, of the Valley Forge Memorial Association and historian of the Merion Chapter of the D. A. R. She died October 4, 1912.

Fellowship Gives Party

The Young People's Fellowship of All Saints' Church will give a card party at the parish house of All Saints' Church, Wynnewood, tomorrow evening (Saturday) at 8 o'clock.

With other teams concentrating on stopping Warren Lockwood, it is helping the other members of Coach Anderson's team to boost their points. They can't stop them all.

The Ostrich and the Rattlesnake

With ill-advised zeal, the rattlesnake advertises itself before it strikes, giving its victim warning and an opportunity to escape. Narberth merchants use Our Town to tell you of the services they have to offer, and the merchandise they have for sale.

To you who operate business houses in Philadelphia, this paper affords an opportunity to present your sales message—to your friends and neighbors.

Our Town reaches 80 per cent. of the homes in Narberth—homes owned by subscribers such as you, who pay \$1.50 a year in advance to read the only weekly paper in Narberth, that prints local news exclusively and comprehensively.

Like you, the other readers own their homes and cars, and can well afford to buy the many commodities and services that you have to offer.

Therefore, we offer our columns to you whose business places supplement those in Narberth—as well as to the local merchants whose advertisements already are read by you.

Present One-act Play at Community Club

A talk by Mrs. E. C. Batchelor on parliamentary law and a one-act play presented by the dramatic committee, "Ever Young," were the high lights in an interesting session of the Women's Community Club on Tuesday afternoon.

Mrs. Batchelor defined parliamentary law as "the technique of expediting the business of a meeting." Smoothness, fairness and speed, the qualities desired in conducting a meeting are best obtained, the speaker pointed out, by an observance of the forms which are laid down in parliamentary law.

The offering of the dramatic committee, under the direction of the chairman, Mrs. H. Stanley Rickert, "Ever Young" was taken from the book "Four Plays for Four Women," by Alice Gertenberg. The parts were cleverly taken by Mrs. Charles H. Shaw, Mrs. J. Harris, Mrs. H. S. Rickert and Mrs. C. E. Knebler.

A report of the civic committee showed that the total cost of the community Christmas tree, sponsored by the Community Club, was \$91.80. Twenty-two dollars of this was contributed through the boxes in the various stores, the remainder being taken care of by the club. The assistance of Walter Case, Howard Cotter and George Suplee aided materially in keeping down the expense.

Local Man Edits New

Tennis Publication

Volume 1, number 1, of "The Service Ace," the official organ of the Middle States Lawn Tennis Association saw the light of day this week. It is edited by W. D. R. Evans, of 209 Price avenue, who is secretary of the association. A quarterly publication, it has as its aim the fostering and development of tennis in the three States included in its territory: Pennsylvania, Delaware and New Jersey.

Mr. Evans, who is a member of the Narberth Board of Health and of the Board of Adjustment, is an insurance broker with offices at 312 Walnut street. He has been a tennis enthusiast ever since he came to Philadelphia and has been actively associated with the administration of the game for many years.

In addition to his job as secretary of the Middle States Association, he is secretary of the Philadelphia Tennis Association, a member of the Amateur Rule, Membership and Proxy, Sanction and Schedule and Tennis Educational committees of the United States Lawn Tennis Association. He is likewise chairman of the tennis committee of the Brookline Square Club, a member of the Tennis Committee of the Penn Athletic Club, a member of the Board of Directors of the Narberth Tennis Club and a former president of the Narberth Club.

Varied Weather Includes

Warmest Jan. 19 Recorded

Weather of infinite variety visited this section during the last week. It ranged from blue skies and balmy temperatures to rain, sleet and snow, with five days when the mercury registered below the freezing point. The warmest January 19 in the history of the Weather Bureau was recorded Saturday, when temperatures ranged from 39 degrees to a high mark of 61, according to Charles Decker, U. S. Meteorological Observer at Narberth. The figures for Saturday were 19 degrees above normal for that date.

A precipitation of .15 of an inch was noted last Thursday, followed by a lesser rainfall on the two succeeding days. On Tuesday of this week snow fell during the evening, leaving the streets and roads on Wednesday in a slushy condition as warmer weather arrived.

Bus-Rail Trips Planned.

The Pennsylvania program to coordinate rail and bus transportation service, to be carried out through its subsidiary, the Pennsylvania General Transit Company, contemplates bus feeder service for existing rail lines and bus service to take the place of rail service on branch lines of light traffic. It also looks to the establishment of transcontinental rail-bus service similar in plan to the air-rail system.

Rail-bus excursions from Philadelphia to sectional points of interest, including Valley Forge, will be inaugurated as part of the program.

the volunteer staff, who have previously conducted the library, will continue to provide service at the library one afternoon a week.

This brings to a close the formative period of the Narberth Community Library. It is interesting to note that that period was exactly eight years long to the day. The library was first opened with a collection of only 18 books on January 31, 1921. On January 31, 1929, just eight years later, the volunteer staff completes its work of creation, for from now on it can be considered that the Narberth Library is in every respect a permanent public institution.

Its growth and progressive development have been remarkable from every point of view and have been due not only to the fact that there has always been available a competent group of women who at considerable self sacrifice were willing to devote the time and the energy necessary to provide excellent library service, but also because the entire community has given to this institution an unfailing and generous support.

Adopt Resolution

At the annual meeting of the Congregation of the Holy Trinity Lutheran Church, held January 16, 1929, the following resolution was adopted expressing the church's sympathy on the death of Dr. Milton E. McLinn.

WHEREAS Almighty God in his infinite wisdom has called home our beloved brother and former pastor, Rev. Dr. Milton E. McLinn, and

WHEREAS Dr. McLinn, in his untiring zeal for the Lord's work coupled with his personality and understanding, endeared himself not only to the people of this church, but to the whole community during the time we were privileged to have him with us, therefore be it

RESOLVED that we, the Congregation of Holy Trinity Evangelical Lutheran Church, of Narberth, Pa., in annual meeting assembled, express our profound sorrow at the death of our dearly beloved brother, and be it further

RESOLVED that we extend to Mrs. McLinn and the family our heartfelt sympathy in the loss of a devoted husband and father, beseeching them to seek the comfort of our Heavenly Father for whom Dr. McLinn labored so long and so well.

RESOLVED further that these resolutions be placed in the minutes of this meeting, and that a copy thereof be forwarded to the bereaved family.

Mules Off in Front as Bowlers Resume

The opening of the second half of the season of the Interchurch Bowling League on the alleys of the Ardmore Recreation Club last Friday evening saw the Mules off to a flying start. The best the Battlers, the first-half winners, could do was pull out one game out of three. The Mules were tied with the Pep Boys for the cellar position at the close of the first half. A phenomenal roll of 217 by Smith, of the Mules, aided in their triumph. The score for Friday's matches follow:

SURETY BOND

NO tire guarantee ever offered can compare with this new Surety Bond, backed by Dunlop AND the American Surety Company.

It is blunt. It says: "Your tire will run perfectly for 12 months or we stand the gaff."

No matter whether failure is due to accident, or collision, or blow-out, or misalignment, or stone-bruise, or road-cuts, or rim-smash, or side-wall injuries, or tube-pinch, or valve-leaking, or faulty toe-in, or under-inflation. We will either repair it free of charge, or you get a new tire at reduced price.

Of course, we offer this Surety Bond only with genuine Dunlops. They are the only tires that are built strong enough and fine enough to make possible a Surety Bond, especially one as liberal and sweeping as this is.
